4 Budget for the Operational Year 2026

The chair presents the budget for the operational year 2026 in the absence of the vice-chair.

In the proposed budget, both planned expenditure and income have increased in relation to the budget for the operational year 2025. This is because the board intends to create and sell new merchandise, as well as purchase new overalls.

In addition, support for Q+ and the sports group will be increased so that both can have more financial leeway in their activities.

Manualensittningen, a gathering during the TDB reception that aims to introduce new students to so-called "sittningar" with DV, will also receive support from UD in the budget.

The assembly decides: to approve the budget for the operational year 2026.
